

General Assembly

***Substitute Bill No. 504***

***February Session, 2002***

***AN ACT CONCERNING THE REPORTING OF PRESCRIPTION  
ERRORS AND REQUIRING CERTAIN CONTINUING EDUCATION FOR  
PHARMACISTS.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1       Section 1. (NEW) (*Effective October 1, 2002*) (a) As used in this  
2       section:

3       (1) "Dispensing" means those acts of processing a drug for delivery  
4       or for administration for a patient pursuant to a prescription consisting  
5       of: (A) Comparing the directions on the label with the directions on the  
6       prescription to determine accuracy; (B) the selection of the drug from  
7       stock to fill the prescription; (C) the counting, measuring,  
8       compounding or preparation of the drug; (D) the placing of the drug in  
9       the proper container; (E) the affixing of the label to the container; and  
10      (F) the addition to a written prescription of any required notations;

11      (2) "Drug" means (A) an article recognized in the official United  
12      States Pharmacopoeia, official Homeopathic Pharmacopoeia of the  
13      United States or official National Formulary, or any supplement to any  
14      of them, (B) an article intended for use in the diagnosis, cure,  
15      mitigation, treatment or prevention of disease in humans, (C) an  
16      article, other than food, intended to affect the structure or any function  
17      of the body of humans;

18      (3) "Pharmacy" means a place of business where drugs may be sold

19 at retail and for which a pharmacy license has been issued to an  
20 applicant under the provisions of section 20-594 of the general statutes.  
21 For the purposes of this section, "pharmacy" shall include any areas of  
22 an institutional pharmacy where prescription drugs are dispensed to  
23 outpatients, employees and retirees.

24 (4) "Prescribing practitioner" means an individual licensed by the  
25 state of Connecticut, any other state of the United States, the District of  
26 Columbia, the Commonwealth of Puerto Rico or any territory or  
27 insular possession subject to the jurisdiction of the United States who  
28 is authorized to issue a prescription within the scope of the  
29 individual's practice;

30 (5) "Prescription" means a lawful order of a prescribing practitioner  
31 transmitted either orally, in writing or by electronic means for a drug  
32 for a specific patient; and

33 (6) "Prescription error" means an act or omission of clinical  
34 significance relating to the dispensing of a drug that results in or may  
35 reasonably be expected to result in injury to or death of a patient.

36 (b) Each pharmacy shall display a sign concerning the reporting of  
37 prescription errors in a conspicuous location visible to consumers of  
38 prescription drugs. The sign shall measure a minimum of eight inches  
39 in height and ten inches in length and the lettering shall be in a size  
40 and style that allows such sign to be read without difficulty by  
41 consumers standing at the pharmacy prescription department  
42 distribution counter. The sign shall bear the following statement: "If  
43 you have a concern that an error may have occurred in the dispensing  
44 of your prescription you may contact the Department of Consumer  
45 Protection, Drug Control Division, by calling (Department of  
46 Consumer Protection telephone number authorized pursuant to  
47 section 21a-2 of the general statutes)".

48 (c) Each pharmacy that dispenses a prescription to a consumer shall  
49 include the following printed statement on or in the bag or other  
50 similar packaging in which the prescription is contained: "If you have a

51 concern that an error may have occurred in the dispensing of your  
52 prescription you may contact the Department of Consumer Protection,  
53 Drug Control Division, by calling (Department of Consumer  
54 Protection telephone number authorized pursuant to section 21a-2 of  
55 the general statutes)". The statement shall be printed in a size and style  
56 that allows such statement to be read without difficulty by consumers.

57 (d) The Commissioner of Consumer Protection shall adopt  
58 regulations, with the advice and assistance of the Commission of  
59 Pharmacy, in accordance with chapter 54 of the general statutes,  
60 concerning the implementation of a quality assurance program  
61 designed to detect, identify and prevent prescription errors in  
62 pharmacies. Such regulations shall require that each pharmacy  
63 implement a quality assurance program that describes in writing  
64 policies and procedures to be maintained in such pharmacy. Such  
65 policies and procedures shall include directions for communicating the  
66 details of a prescription error to the prescribing practitioner and to the  
67 patient, the patient's caregiver or appropriate family member if the  
68 patient is deceased or is unable to fully comprehend the  
69 communication. Such communication shall describe methods of  
70 correcting the prescription error or reducing the negative impact of the  
71 error on the patient. Such regulations shall require that records of all  
72 reported prescription errors shall be maintained at the applicable  
73 pharmacy for a minimum period of three years and that such records  
74 shall be made available for inspection by the Commissioner of  
75 Consumer Protection in any case where the commissioner is  
76 investigating a report of a prescription error.

77 Sec. 2. Subsection (a) of section 20-600 of the general statutes is  
78 repealed and the following is substituted in lieu thereof (*Effective*  
79 *October 1, 2002*):

80 (a) Except as provided in subsections (b), (c), (f) and (g) of this  
81 section, the commission shall not authorize the department to renew a  
82 license to practice pharmacy as a pharmacist unless the pharmacist  
83 applying for the renewal submits a statement signed under the penalty

84 of false statement that the pharmacist has satisfactorily completed not  
85 less than fifteen contact hours of accredited continuing professional  
86 education in the previous calendar year immediately preceding  
87 expiration of the license. Not less than five contact hours of the annual  
88 continuing education requirement shall be earned by attendance at a  
89 live presentation of an accredited continuing professional education  
90 program. At least one of the five contact hours earned by attendance at  
91 a live presentation shall be on the subject matter of pharmacy law or  
92 drug law.

This act shall take effect as follows:
